18th November 2022

To the holders of existing Ordinary Shares and, for information only, to the Warrant Holders

Dear Shareholder,

I write to provide you with notice of the annual general meeting (also '**AGM**') of Coinsilium Group Limited (the "Company") to be held at 9:30 am CET on 12th December 2022 at World Trade Center, 6 Bayside Road, 1st Floor - Unit 1.02, Gibraltar, GX11 1AA, Gibraltar.

Business of the AGM

We are required under article 19 of the articles of association of the Company to lay copies of the Company's annual accounts before the shareholders of the Company (the '**Shareholders**') in general meeting (or otherwise give them to the shareholders). We have, accordingly, called this AGM as a formality to comply with the requirements of the articles of association and take this opportunity to consult the Shareholders on the following matters:

- the authority to appoint and determine the remuneration of the auditors; and
- the disapplication of pre-emption rights in relation to the issue of new ordinary shares for cash and non-cash consideration.

The authority proposed under resolution 3, would include a general the authority (pursuant to the general authority to allot granted by the Company's articles of association and the BVI Business Companies Act 2004) to allot equity securities of the Company without first offering to Shareholders in proportion to their existing holdings. Such authority to allot would also include, but would not be limited to, the authority to allot new shares following the grant and exercise of share options and warrants. Under the Company's articles of association and the BVI Business Companies Act 2004 pre-emption rights do not apply to the Company. However, the directors of the Company (the "Directors"), feel appropriate to consult Shareholders on such matter. We take the opportunity to inform the Shareholders that the authority to disapply pre-emption rights sought and obtained at the 2021 Annual General Meeting has not been used, in that no new shares were issued.

Voting

We encourage all Shareholders to submit their proxy sufficiently in advance of the AGM to ensure that their votes are registered. To be valid, Forms of Proxy and any power of attorney or other authority under which it is signed must be lodged with Computershare Investor Services Plc no later than 8:30 am GMT Thursday 8th December 2022.

There are three resolutions proposed at the general meeting and we will take all of these on a poll vote, with each Shareholder having one vote for each share held.

It is usual for Shareholders to appoint the Chairman as their proxy, because his or her presence at the meeting is guaranteed, but a Shareholder may appoint any other individual who is eligible to vote as their proxy at their discretion. If a Shareholder's proxy does not attend the meeting, the Shareholder's votes will not be cast.

Recommendation

The directors of the Company (the '**Directors**') consider that all the proposals to be considered at the AGM are in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do in respect of their own beneficial holdings currently amounting to 9.95% of the issued share capital of the Company.

The results of the voting on all resolutions will be announced via the Regulatory News Service and published on our website as soon as practicable following the conclusion of the AGM.

Yours faithfully

18 November 2022

Malcolm Palle, Executive Chairman

By order of the Board
